

#StandWith**Ukraine**

Mentoring program for Ukrainians abroad (M4U)

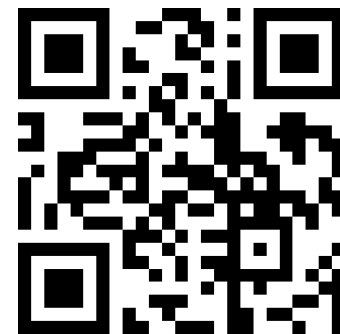

Aim of the program is to provide Ukrainians with an opportunity to look into the job market of a certain country and ease the process of their professional and personal integration after the relocation.

Mentors of the program can be the representatives and professionals from different companies (small, medium and large) from different countries.

Main mentorship topics:

- Employment opportunities
- Professional networking
- Integration

Mentorship program period: May - June 2022

Registration for companies and mentors is now open via QR-code

Career Counseling for Ukrainians

Aim of the program - to create a network of career counsellors across Europe to provide career support and consulting for Ukrainian refugees in areas of vocational adaptation, professional development and employment abroad.

Career Counsellors should have experience in HR management, career counseling or coaching, understand the specifics of European job market and are ready to use professional knowledge to help Ukrainians.

Format: 1 hour long individual bro bono online-sessions.

Period of the activity: May 2022.

Registration for
Counsellors is now open
until 27th of April 2022
